A timely objection I filed to the R&R for Woodham ~~2026 MAR 17 PM 12:37~~
(
) was misfiled? lost? & as a result case was dismissed. Are
you able to retrieve it? I also filed a subsequent one with my last mailing.

I would like the Court to be aware that my jail is interfering with my mail & my
ability to meet deadlines might be compromised as a result. I've filed motions in
my case against GCDC but is relevant to other case as well. What to do?
